

Cards of Kudos

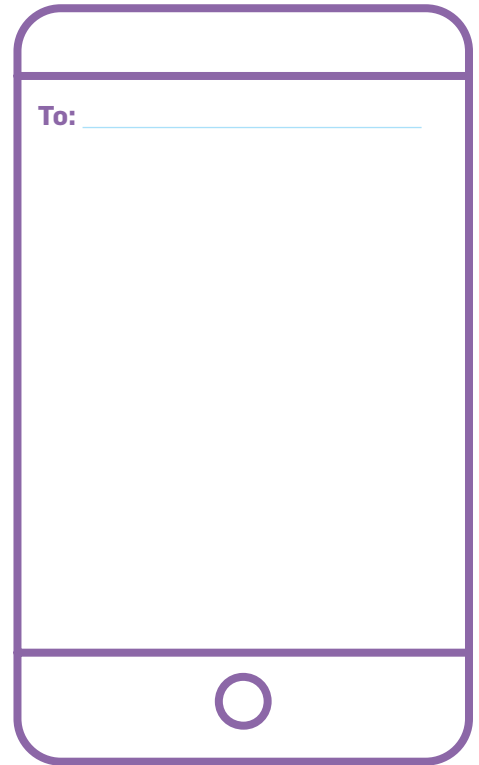

Photocopy and cut out these cards, then write a nice compliment or “kudos” to one of your peers! Sign your name or leave it anonymous, then hand them out around your school to spread positivity. If you receive a card, take a picture and post it on social media with [#WEriseAbove](https://www.instagram.com/we_rise_above/) to keep the kudos going! For more cards, visit [WE.org/weriseabove](https://www.weriseabove.org/).

A vertical rectangular card template with rounded corners. It features a horizontal line near the top, with the text "To:" followed by a blank line for a name. The bottom of the card has a small circle, resembling a home button on a smartphone.
