Extend your Volunteer Adventure in Kenya and experience a world-famous Maasai Mara safari.

AN UNFORGETTABLE WILDLIFE ADVENTURE FOR FAMILIES AND FRIENDS

The Swahili word 'safari' means 'journey'. Embark on a once-in-a-lifetime journey through the breathtaking savannah of the Maasai Mara—a region famous for its diverse wildlife and stunning landscapes. Experience one of the world's richest wildlife reserves, home to an astounding array of animals including lions, giraffes, rhinos and zebras.

Personalize your itinerary to be as active or relaxed as you desire. Highlights of your safari can include:

- Spot the “Big Five” on sunrise and sunset game drives.
- Take in the migrating wildlife on a scenic savannah flight.
- Dine under the stars as you take in stunning landscapes.
- Experience the savannah on foot with a birding and bush walk.
- Treat yourself to a relaxing spa day at the safari lodge.
- Get a bird's eye view of the savannah from a hot air balloon.
- Take a day trip to Lake Victoria, one of the African Great Lakes.

In Kenya, the opportunity to experience the wild beauty of a safari is a moment not to be missed. Take in the sights and sounds of the wild Mara by day and night as you let your incredible journey unfold and create lifelong memories with friends and family. We invite you to experience all that the Mara has to offer before or after your ME to WE Volunteer Adventure. We are happy to recommend a safari lodge that suits your needs—contact us for more information!

“Our safari was everything we had hoped for and more: beautiful accommodations, brilliant dinners beneath the Mara stars, and unforgettable encounters with every wild African animal imaginable.”
