# WEwalk for water

## HELP TURN CLEAN WATER ON FOR PEOPLE AROUND THE WORLD

This spring, schools across the UK will come together for WE Walk For Water, a global fundraising event to walk and raise money to improve access to clean water for developing communities around the world.

Your child will investigate the issue of access to clean water with their teacher, work with their class to spread awareness and raise money, and then join other students as they bring these lessons to life through a symbolic water walk at their school.

### **Clean water is the fastest way to help a community break the cycle of poverty.**

Clean water is a basic human right, but more than 800 million people lack access to it. When communities have access to clean water, girls can attend school, parents can run sustainable farms and families can lead healthier lives.

Support your child's fundraising goal and join the movement to break the cycle of poverty. Every £15 provides one person with clean water for life!

**To date, WE Villages has provided more than one million people with access to clean water. Now we're out to impact even more lives.**

## Thank you for your support

We believe in clean water for all, and we're so excited that you do too. Thank you for supporting the young people in your life with their WE Walk For Water fundraiser. We are truly grateful for your participation in your child's learning around water issues and supporting their fundraising goal. By supporting your child's efforts, you are helping make a difference globally and empowering your child to realise their potential in creating change.

### Fundraising is easy with Virgin Money Giving

Help your child create their own Virgin Money Giving page or donate by searching their school name at [uk.virginmoneygiving.com/fund/wewalkforwater2019](https://uk.virginmoneygiving.com/fund/wewalkforwater2019). Sponsorship forms are also available through your child's teacher.

WE is a movement that brings people together and gives them the tools to change the world. Through domestic programmes like WE Schools and internationally through WE Villages, WE Charity empowers change with resources that create a sustainable impact.
