Dear Megan,

The Standards Committee recently completed a review of the results of the Year-round Standards Visit to your camp during the 2018 season. As a result, the Board of Directors of the Ontario Camps Association passed a motion:

***To accept the recommendation of the Standards Committee that, based on the results of this summer's Year-round Standards Visits, [Take Action Camp](#) be re-accredited for four years.***

Congratulations!

Using the OCA logo and the words, "Accredited Member of the Ontario Camps Association" on your promotional materials assures campers, parents, and staff that your camp is committed to OCA Year-round Standards, recognized by the public and professional organizations as the stamp of a quality and safe camp.

Each camp's efforts to continually improve its operating standards in the areas of safety, site, staff, and programs contribute to enhancing the position of all of our camps. Renewing your membership each year is a renewed commitment to maintaining the OCA Year-round Standards.

We look forward to your continued involvement in the Association.

Sincerely,
