Through this partnership, businesses across Canada can now enjoy socially conscious Fairtrade Certified coffee: from bean to cup, **ME to WE Coffee That Changes Lives™** contributes to environmental sustainability and supports ethical supply chain management. Certified Fairtrade by Fairtrade Canada, **ME to WE Coffee that Changes Lives™**, supports development of thriving farmer and worker communities by giving them more control over their futures and protecting the environment in which they live. **ME to WE Coffee That Changes Lives™** is available in medium and dark roast blends.
